Board recommends Patrick's termination

by Marvin McLwain, Editor

Last Thursday evening, Michael Patrick was given a hearing before a three-member personnel review board and Elba Police Chief R. W. "Ronnie" Whitworth's recommendation to terminate him was upheld. The review board was made up of Elba Mayor James E. Grimes, Elba Water & Electric Board Chairman Tim Johnson, and Councilman Harold Bannin (Patrick's choice for the review board).

After hearing testimony from the chief, several police officers, and other individuals, the board made its decision to follow the chief's recommendation and recommend termination to the full city council at its next regular meeting (Monday, September 28).

Officer Patrick, a 15-year veteran of the Elba Police Department, has

MICHAEL PATRICK

been on suspension from the department since his arrest in April on misdemeanor charges of theft by deception.

The arrest (Patrick turned himself

in at the Coffee County Jail on September 16) followed a complaint being filed against Patrick by Bancroft Cooper, owner of Elba Pawn and Gun.

The original complaint filed with the Elba Police Department alleged that Patrick pawned the title to two vehicles which he did not legally own for money. The amount of money involved in the transaction was \$150 for each of the titles/cars for a total of \$300.00.

Chief Whitworth had requested that the Alabama Bureau of Investigation look into the matter of the complaint since it was filed against a member of his police department.

After several delays, Patrick was tried September 1st on the two charges of theft and found guilty on one of the charges and not guilty on the other. The conviction on the one charge has been appealed by Patrick and his attorney G. A. Lindsey.

Lindsey, who also represented Patrick in the review board hearing, contended that the hearing should not be held until the case on appeal has been decided.

The board heard testimony from Chief Whitworth that he had been told Patrick had made indirect threats toward fellow police officers; also, the chief said that he would recommend Officer Patrick's termination, even without a conviction, due to testimony offered in court that he had forged a signature on an automobile title of ownership.

The review board listened to witnesses for more than two hours before retiring for about a half hour to discuss the testimony and reach its decision.

Patrick was sentenced to thirty days in jail and ordered to pay restitution and court cost. He is free on a \$500 appearance bond pending the outcome of his appeal.

NOTICE

The annual Christmas Festival in Elba will be held on Saturday, November 28, 1998, on the courthouse square in downtown Elba. Activities will include arts & crafts, food vendors, musical entertainment, children's activities, Miss Christmas Pageants, and the Christmas Parade. Anyone wishing to purchase vendor space is encouraged to contact the following: Elba Chamber of Commerce @ (334) 897-1125, Joan Ward @ (334) 897-5341 (evenings), or Buddy Shively @ (334) 897-5732.

LEVEE REHAB. Work is continuing on the rehabilitation of Elba's levee. Pictured above are men and machines from Dreco Incorporated out of Tuskegee, AL, working to clear brush and debris from both sides of the levee. A piece of equipment being used is pictured above. It consists of an excavator which has a mower attached to the end instead of a bucket. A bush-hog and tractor is also being used to mow the levee. The work should be completed within the next few days.

LEVEE SURVEY UNDERWAY... A mapping survey team is presently working in Elba surveying the levee. The digital mapping and survey firm, Southeast Digital Mapping, L.L.C. out of Theodore, AL, is participating in the initial stage of the "design update" of the levee surrounding the city of Elba. The survey work will take several days to complete as the present levee will be surveyed and mapped so that engineers/designers and planners can review the survey before taking the next step in making the Elba levee safer. Estus Walker, P.E., executive director of the Choctawhatchee, Pea and Yellow Rivers Watershed management (extreme left), and State Representative Garret Moore (second from left) are pictured above with Joe Davenport (third from left), project manager and co-owner of SDM; Tim Summey (second from right), co-owner of SDM; and members of the survey team.

State institutes ALL Kids Insurance program

by Marvin McLwain, Editor

Two weeks after enrollment was opened, the Alabama Department of Public Health has received applications from 6,000 families to enroll children in the new "no fee" or "limited fee" health insurance program.

The ALL Kids Insurance Program started accepting applications August 25. As of September 9, some 410 families had been approved for the program and 662 applicants have been referred to Medicaid. Eligible children will begin coverage October 1, 1998.

Children up to the age of 19 from families earning between 100 and 200 percent of the federal poverty limit are eligible for the new program. Children in families with lower incomes will be eligible for Medicaid coverage.

Dr. Donald Williamson, state health officer, said that families that appear to be potentially eligible for Medicaid will be notified and the application will be forwarded to Medicaid for processing.

"A program like this only comes along once in a generation," said Dr. Williamson. "We encourage all eligible families to consider enrolling in either ALL Kids or Medicaid, and to take advantage of this wonderful program."

ALL Kids application forms may

State Health Officer Dr. Donald Williamson reviews some of the first applications for ALL Kids, a no-fee or reduced-fee private health insurance program for Alabama children. Effective October 1 children up to age 19 will be eligible for coverage.

Families with lower incomes will not be charged any fees. Families with higher incomes will pay either \$50 per year or \$6 per month for 10 months for each child. Under no circumstances will any co-payment be above \$5. Coverage will not be limited or denied because of preexisting illness.

Applications for ALL Kids can also be obtained on the Internet at <http://www.alapubhealth.org/library>, or by calling toll free 1-888-373-KIDS.

BUILDING DEDICATION. The New Brockton Fire Department and New Brockton Rescue Squad will hold a grand opening and dedication of their new fire and rescue building Saturday, September 26, at 2:00 p.m. The new facility is located on Ainsley Street.

JAIL RESTORATION. A Jail Restoration Kick-Off Day will be held Saturday, October 3, 1998 from 10:00 a.m. to 1:00 p.m. There will be tours and live entertainment.

HUNTER EDUCATION. The next Hunter Education Course is scheduled for November 4, 5, and 6 from 9:00 a.m. until 9:00 p.m. The course will be taught at Alabama Department of Conservation - Game & Fish Division Office in Enterprise. For more information call 347-5975 or 347-9467.

CHRISTMAS FESTIVAL. Plans are now underway for Elba's annual Christmas Festival to be held on the square in downtown Elba. The date is Saturday, November 28, 1998. Watch for additional announcements and information concerning the festival in *The Elba Clipper*.

Coffee County Sheriff Department's DLC proves to be unroutine

On random weekends, and other days of the week, Coffee County Sheriff's deputies will participate in driver's license checks and safety checks on rural county roads.

Usually these checks are uneventful except for an occasional DUI and no driver's license. This was not the case last Saturday night.

Deputies and Alabama state troopers had set up a roadblock (license check) at the intersection of Co. Rds. 474 and 460 in the Holley Store Community.

According to authorities, a vehicle while approaching the checkpoint turned its lights off and turned around and went the other way. This is not uncommon and usually a chase car is in place to catch those that attempt to evade the roadblock; however, things took a little different turn Saturday night.

The vehicle driven by Sherman O. Chancey of Samson attempted to elude the deputy in the chase car when, after getting out of sight, turned his lights back on and turned

into a nearby yard, but the deputy was not fooled.

The deputy pulled in behind the suspect car and as he was getting out of his patrol car, Chancey exited his vehicle waving a shotgun.

Chancey told the deputy, and others who had also arrived to assist the chase officer, that he had been drinking but he was not going to jail! He also threatened to hurt himself if deputies tried to arrest him.

While other deputies got Chancey's attention, he was subdued from behind, and his weapon taken away from him without incident.

The incident lasted less than five minutes according to officers.

Needless to say, the man spent the night in the Coffee County Jail. Chancey was charged with attempting to elude, menacing, and driving under the influence.

Deputies returned to the roadblock and continued their license check.

OPINION

BRAINSTORMS

Judge (or ex-judge) Terry Butts whichever is correct, dropped by for a visit Monday afternoon. He was passing through Elba enroute to Dothan for an early Tuesday morning TV appearance. As most readers of this newspaper know, he resigned several months ago from the Alabama Supreme Court to run for the office of Attorney General. "Because I want to make a difference." He is the Democrat nominee, and no one cared to challenge him within the party. Thus far there has been very little talk around the state about this race, but the tempo is picking up and we can expect to hear a lot more talk in the next two months. Expect the issues to be experience (and lack thereof), tobacco money in the campaign, etc. but little or no personal attacks from either candidate. Surely both candidates are smart enough to see that Alabama voters are filled with all the scandal they want with the Washington mess.

What did Judge Butts talk about while in the back office at the Elba Clipper? Mostly "Old Times." We talked about mutual friends, funny things that have happened over the years, etc. The break from a busy schedule did us good and hopefully it also did the same for him. Wife, Suzi was with Terry, but she was busy handling social business ... getting the engagement announcement of son Kelly (and daughter-in-law to be also named Kellie) in the paper for family friends to see.

It is encouraging to see some work being done on the Elba levee. Plus there is a crew in here surveying for the major Corp of Engineers project scheduled to get underway later next year. Also comforting to see was a fireman in a downtown storm drain blowing out the accumulated sand and debris. All these projects should come together for the betterment and security of Elba. A lot of folks are interested in helping the local community and we owe them our sincere thanks.

Us members of the Elba United Methodist Church finally got back into our main building a couple of weeks ago. It has taken a long time to repair the flood damage, but hopefully things are right. Organist Pam Baker had warned that her excitement over again being able to play the organ might mean awful loud music and maybe it was loud, but it sure sounded good to these untrained ears.

What to do about Bill Clinton? We are in a group which is opposed to kicking him out. This is not to be considered approval of his actions then, nor what his folks are doing right now. Our concern is for America. Impeachment might be possible, but at what price? It could be setting the stage for such action every time a large segment of Congress didn't like a president's actions or his political party. As a teenager we remember being proud that the US had a stable government and we were not having to form new governments all the time ... that was during a period when France was having no confidence votes, etc. and having to reform their government. This country is the last example of a super power in this world. If we are to survive and lead mankind to make things better for future generations, this has got to stop.

It is real easy to get fighting mad at some of the dumb things Clinton and his aides/lawyers, etc. are saying these days, but we must rise above that if possible. If there is some way to officially tell the American people this type action and reaction is not more acceptable in the White House than from a female bomber pilot, let's do it. Slap a big fine on him - if he and his lawyers agree to pay and not continue their stalling tactics, diversions and mud slinging at those who speak out against his past actions. Word a very strong formal statement of disapproval to accompany this fine and do not promise to trash any sealed indictments Judge Starr might, or might not have, awaiting Bill Clinton after he gets out of office. All that, with the embarrassment already faced and the fact history will remember this president as the one caught doing kinky things with Monica, would surely bring us to a sobering realization that we had done wrong, been caught in our lies and were unable to talk our way out of the situation this time around. How much blood do we want, or deserve?

Progress is being made on organizing an Economic Development Office for Elba. Several meetings have been held, incorporation papers are being drafted and a search committee has been appointed to find a qualified director. Hopefully they find someone well versed in recruiting business and industry, and that will take someone who will root Elba with every waking breath. In fact it should be someone who dreams Elba "in full color."

Dozier murder investigation has local ties

by Marvin McIlwain, Editor

A murder recently committed in Crenshaw County has local ties to Elba and Coffee County.

Johnny James "JJ" Knighton, age 48, has been arrested and charged with murder in connection with the death of Angela M. Knighton, age 38. He was arrested on Thursday, September 10, 1998. Knighton was arrested by authorities in Crenshaw County as the alleged murder took place in Dozier, AL.

Knighton, who is originally from Coffee County, was convicted of murdering his first wife in May of 1979. He served 14 years for beating his wife to death, after she was released from prison on parole about five years ago. According to reports he was married to Angela while in prison.

In this latest incident, Crenshaw

County Sheriff's Deputies were called to Crenshaw Baptist Hospital in Luverne at approximately 7 a.m. where they were told a woman had been brought into the emergency room and was declared dead on arrival.

Upon their investigation, authorities determined that the incident had occurred near a housing project in Dozier. The Knightons, who lived in Alexander City, were visiting relatives who resided in Dozier.

Knighton was taken into custody without incident and is presently being held in the Crenshaw County Jail without bond.

According to family members (Angela's), Mrs. Knighton and her husband had gotten into a violent argument at their home in Alex City earlier in the week (Monday) and she had called family members to come get her. They did and brought her to Enterprise.

She later told them she wanted to return home but they would not take her fearing that she would be hurt. Allegedly, she called her husband, JJ, to come get her, which he did, and they went to a relative of his who lived in Dozier.

Authorities later determined that Mrs. Knighton's alleged murder occurred at a residence that is unoccupied and is surrounded by overgrown vegetation.

According to reports, Knighton gave authorities a written detailed confession of his second wife's murder as he did in the murder of his first wife.

The incident remains under investigation by the Crenshaw County Sheriff's Department, District Attorney's Office and the Alabama Department of Forensic Sciences.

Norris, along with a reserve deputy, went to Danley's Crossroads

where he found Knighton and his wife. She had been badly beaten. Mrs. Knighton was taken to a local hospital and later transferred to a Montgomery hospital where she died.

Preliminary autopsy reports in Angela Knighton's death show that she bled to death. Authorities have not revealed the manner of her death.

According to reports, Knighton gave authorities a written detailed confession of his second wife's murder as he did in the murder of his first wife.

The incident remains under investigation by the Crenshaw County Sheriff's Department, District Attorney's Office and the Alabama Department of Forensic Sciences.

Blanton-Chaney united in marriage on July 4th

Carmon Renee Chaney and Gordon Shane Blanton were married in a 4:00 p.m. ceremony on July 4 at First United Methodist Church in Hartselle with the Rev. W.G. Henry officiating.

Parents of the couple are Mr. and Mrs. Charles Chaney of Hartselle; Dr. and Mrs. Billy Farris of Elba; and Mr. and Mrs. Gordon Blanton of Cullman.

The church altar was decorated with candles and a spring bouquet of blush pink Anna roses. It also featured ferns on white columns, and pink and white satin and tulle bows on family pews.

The bride wore a formal gown of white French tulle and re-embroidered silk Venise lace. Designed with a basque waistline, the gown featured a molded bodice of lace. The halter neckline was further emphasized by open shoulders and a slim keyhole back.

The skirt of tulle was accented with appliques of lace. A band of floral cut silk Venise lace edged the hemline and the chapel-length train which fell from a candy box bow topped with miniature cabbage roses.

Her veil of imported French illusion was held by a bridal bandeau of silk flourishes and pearls. She carried a bouquet of fresh Anna roses and freesia tied with a bow of chiffon ribbon bordered with pearls.

Attending the bride were her maid of honor, Misty Hyche, of Hartselle, and bridesmaids, Kim Shelton, Elba, sister of the groom; Lisa King, cousin of the groom; and Allison Bullard, both of Hartselle.

Junior bridesmaids were Ashley Shelton and Laura Shelton, Elba, nieces of the groom. Kaylor King of Hartselle was flower girl.

The bridesmaids wore floor-length, pale pink satin-backed crepe with an empire waistline and V-d back. Junior bridesmaids wore ice pink dresses in the same style as the bridesmaids. They carried bouquets similar to that of the bride's.

Kyle DuBose of Elba was best man.

Groomsmen were Clint Chaney, Hartselle, brother of the bride; Jamie Whitworth, Elba; and Bill Watkins, Troy.

Junior groomsmen were Dylan Crow, Hartselle, cousin of the groom; and Christian Guarin, Huntsville, cousin of the bride.

Assisting with the reception at the Elks Lodge in Decatur were family and friends of the couple. Decorations were done by Kristi McClanahan and Wayne Harris as a wedding gift.

The bride's table featured a three-tiered wedding cake topped with fresh Anna roses and freesia sitting atop a white tablecloth and featuring a pink topper.

The groom's table featured a chocolate, two-layer basketweave cake topped with crystallized fruit. It also featured a watermelon basket and cheese straws.

The bride's book was attended by Kasey Kearse.

Following a wedding trip to

Mrs. Gordon Shane Blanton

Biloxi, Miss., the couple has made their home in Tuscaloosa. A rehearsal dinner was hosted by the groom's parents on July 3 at Corum's Lakeview Lodge in Hartselle.

A bride's luncheon was hosted by the mother of the bride at the home of Misty Hyche on June 29.

PRE-NUPTIAL EVENTS
Prior to the wedding the couple was honored with the following parties:

• Christmas shower on Dec. 13, hosted by Lynn Crow and Lisa King.

• Bridal tea on June 7 at The Depot, hosted by family and friends of the couple.

• Lingerie shower on June 29, hosted by Misty Hyche.

• Bridal tea on Aug. 2, hosted by friends of the groom in Elba.

The wedding was attended by Kasey Kearse.

Stinson - Sauls announce wedding plans for October

Mr. and Mrs. David Stinson of Elba announce the engagement of their daughter, Heather Lee Stinson, to Stan Sauls, son of Mr. and Mrs. Bo Sauls of Elba.

Miss Stinson is the granddaughter of Mr. and Mrs. Earl Stinson and the late Mr. and Mrs. Jack Smart, all of Elba.

She is a graduate of The University of Alabama and is employed with a pharmaceutical company.

Mr. Sauls is the grandson of the late Albert and Dorothy Sauls of Thomaston, Ga., and the late Clayton and Mattie Lena Sauls of Curtis.

He is a graduate of Troy State University and is employed with a Prattville school.

The wedding will be an event of Saturday, Oct. 31, at six-thirty in the evening at First Baptist Church of Elba. A reception will follow at The Lobby in Enterprise.

The couple will reside in Millbrook after the wedding.

Award Winning Drum Major

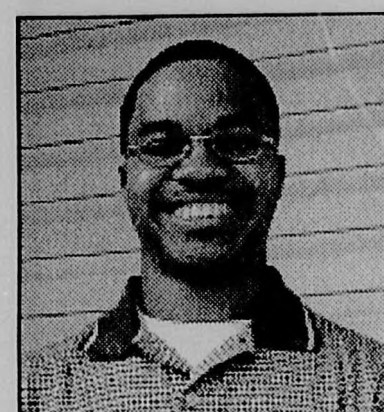

by Alisha Walker

Morgan Hodge was given an Outstanding Drum Major Award at the end of the Troy State Band Camp held last summer.

During the award's ceremony, held at the end of the camp, various awards are given to highlight outstanding performances in different sections of a band.

The awards are based on the performance of an individual through the entire camp. Performance is determined by how well a person does with what he or she is being taught. Drum majors are taught directing styles, giving vocal commands, developing leadership skills, and marching techniques.

Zion Chapel High School REBEL NEWS

Rachel Bryan, Sponsor

ZC Class In The Spotlight

by Blake Weeks

There are not many chances when a class can be told what they do right because the time allowed is spent with the negative—telling a class what's wrong with it.

THE REBEL NEWS will include a story about a class that needs to be praised from any teacher who feels that the class should be put in the spotlight.

The first one in our spotlight is the first period class of Mrs. Rachel Bryan. It is made up of eighth-graders who come for a class that is called Cultural Enrichment. In the class these eighth-graders are being instructed in the use of Microsoft Office 97. More specifically they are being introduced to the spreadsheet, "Excel", and the database, "Access." This particular part of the course is called Introduction to Computer Applications and it is intended to fulfill the state requirements for computer applications. It is part of a twelve-week rotation that includes music and foreign language.

Mrs. Bryan said that she chose this class for the spotlight because they always come to class with a cooperative attitude and they always come to the class on time. She said, "They are really pleasant young men and young women who have a very good attitude. Of

course, they make good grades because they listen and pay attention."

The members of the class are Brandon Arnold, Beverly Boutwell, Merilyn Boyd, Shane Britt, Kala Bundrick, Emily Clements, Josh Johnson, Seth Legg, Samantha McWaters, Shannon Pope, Robert Scott, James Simmons, Chris Summerlin, and Ashley Wambles.

FFA Chapter News

MONTHLY MEETING

by Paige Hudson

President Angie Laney called the second meeting of the Zion Chapel FFA to order on September 12.

After the opening ceremonies, the officers gave a report on the social event of the weekend before—the peanut boiling. It was reported that 33 people signed up to attend but only 23 actually attended.

Cristy Houston gave an update on contest and who had already agreed to participate.

Wes Bragg reported on plans for the FFA cookout that will be held on October 1. He appointed a cooking committee to be in charge of the cookout. This committee will decide what will be served and who will do the preparation. Possibilities include Boston butts or a whole hog.

President Laney concluded the meeting with team work activities and adjournment.

PEANUT BOIL

by Crisby Houston

Fall of the year is the time for having a peanut boiling and it is tradition for the ZC FFA to have one of these social events as soon as peanuts are ready.

Those who helped with the dirty work, picking the peanuts off the vines, were Wes Bragg, Justin Prescott, Timothy McDermott, Charles Spens, Jeremy Gray, Matthew McDermott, Cristy Houston, and Coach McCrory. After all the peanuts had been removed from the vines, it was time to wash them. Wes, Justin, and Jeremy were the ones who got them ready to boil.

Others who attended were Angie Laney, David Eddins, Johnny Branham, Matt Nelson, Jeffery Smith, Emily Mitchell, Paige Hudson, Sonya Smith, Josh Grantham, Bo Addison, Cassidy Westmoreland, Pam Cotton, Bart Hughes, and Charles Maddox.

Thanks to Mr. Ted Fillingim and Mr. Troy Fillingim for donating the peanuts to the Chapter. The event was a success and everyone enjoyed the peanuts and the chance to get together with others to talk FFA.

ZC Student Speaks At Spring Garden

by Angie Laney

One of the requirements of being a state officer is that you have to visit other chapters in the state. Being president of the Alabama Chapter of Future Homemakers of America (FHA) means that I have to travel over the state visiting local chapters that invite me to speak.

Last week Mrs. Joan Hobbs, my sponsor, and I visited the FHA Chapter at Spring Garden High School which is located near Piedmont, Alabama. I spoke at their first chapter meeting of the year.

My speech to this chapter was a motivational speech whose purpose was to get the membership excited about and involved in the chapter's activities. In addition I talked about some basic FHA/Hero things that every active FHA member needs to know.

When I finished they gave me a gift bag. In it was a picture frame, a pencil set, a journal, a notebook, and a thank-you note for making the trip to Spring Garden. Following the meeting there was a Popsicle party given in my honor. I ate plenty of Popsicle and met a lot

of new and interesting people. While visiting as state president I have to wear my official uniform which is a red skirt and red blazer worn with a white blouse. I wear a tie that is red and blue.

Biology Bugs

by Alisha Walker

Every ZC student who has taken Biology during their sophomore year has, at one time, had a big bug collection.

The class has approximately eight weeks to collect 50 insects. It can be any 50 insects they want, but there cannot be two of the same one.

Once a bug is caught, it is put in a jar. An alcohol-soaked cotton ball is put in the jar with the insect to kill it. This way, the bugs won't be crushed. The bugs are then pinned to styrofoam board. A label must go with each bug. The label must tell the name of the bug, where it was caught, and the date it was caught.

These bug collections count as three test grades.

PROGRAMMING CHANGE

Elba, Alabama

On or after 9/21/98, TCI of Alabama will change the programming line-up in order to make it more appealing to a broader base of customers and non-customers.

The programming changes will be:

Encore Plex will be removed from channel 36. USA will move to channel 36. WEB will be added to channel 16.

If you have any questions, please contact TCI of Alabama at (334) 897-3800.

Z. C. H. S. Welcomes New Principal

by John Arnold

Mr. Richard Littleton is the new principal at Zion Chapel. He is a graduate of West End High School in Birmingham, Alabama. After high school he earned his undergraduate degree at Samford University which is also in Birmingham.

Mr. Littleton's graduate work was done at Jacksonville State University and the University of Alabama—Birmingham (UAB). He is presently working on his Ph.D. at UAB.

Mr. Littleton said that he was originally from Birmingham but that he had lived in a lot of places. For the past thirty years he has been involved in education in Calhoun, Clay, and Talladega Counties.

Mr. Littleton and his wife, Ina, have one child, Patrick, who is a teacher and coach in Gordo in Pickens County.

When asked what he would like to accomplish as the principal of Zion Chapel High School, Mr. Littleton said,

Littleton said, "I would like to continue the traditions, academically, and in all other respects, that have been established over the years. It is my desire that Zion Chapel will continue to improve."

When asked why he chose to

become principal at Zion Chapel, Mr. Littleton said, "Zion Chapel is a small rural school with a great deal to offer. The lifestyle of its citizens, the community, the students, and the staff give me a sense of comfort."

Ward Teachers New 3rd Grade Section

by Michelle McIntosh

A third section of the third grade was required this year because of the large number of third-graders enrolled in Zion Chapel Elementary. Mrs. Teresa Ward, an elementary PE aide from last year, was moved into the position of classroom teacher.

Mrs. Ward is a native of Brundidge, Alabama, and graduated from Arton High School. She is married to Keith Ward and they have a four-year-old son, Zach.

Why Labor Day Is A Holiday

by Carissa Walker

Labor Day was the first in a series of holidays and off-weeks that are included in the year's schedules because the Coffee County School System has adopted a modified extended calendar. The Coffee County Schools had been in session for four and one-half weeks before Labor Day.

Why is Labor Day a holiday? According to the World Book Encyclopedia "Labor Day is a holiday honoring working people. It is observed as a legal holiday on the first Monday in September throughout the United States. Puerto Rico, 1887, Oregon became the first state to make labor day a legal holiday. President Grover Cleveland signed a bill in 1894 making Labor Day a national holiday.

Labor Day is a day of rest and relaxation.

How did Labor Day come about? Again, according to The World Book two men have been credited with suggesting a holiday to honor working people in the United States. One was Matthew Maguire, a machinist from Paterson, New Jersey, and Peter McGuire, a New York City carpenter who helped found the United Brotherhood of Carpenters and Joiners. Both men played an important part in staging the first labor day parade in New York City in September, 1882.

1887, Oregon became the first state to make labor day a legal holiday. President Grover Cleveland signed a bill in 1894 making Labor Day a national holiday.

Elbala Ad Sales Underway

by Lee English

Ad sales have begun! Each year the journalism staff sells ads to help pay for the year's *Elbala*. Each student is assigned different businesses to sell ads to in the Wiregrass area.

The staff began selling ads on September 7 and will end on October 9. The ad prices are \$40 for an eighth of a page, \$60 for a fourth of a page, \$100 for half a page, and \$150 for a full page. If you would like to help us out by buying an ad and have not been contacted, please call Elba High School at 897-2266.

This, along with the sale of *Elbala*, raises money, and without this we cannot adequately finance our yearbook. Your support will be highly appreciated.

After High School Laura plans to attend Auburn University majoring in Graphic Arts.

See You At The Pole Rally

by Reese Grantham

Elba High School hosted "See You At The Pole" again for the third year on Wednesday, September 16 at 7:15 a.m. This was a National Day of Prayer held in schools throughout the country. Most of the emphasis is put on praying for the teachers and government leaders.

"See You At The Pole" held much Christian fellowship and fun with Christian music, a devotional and of course prayer. It was a great time for Christian students to gather together, supporting one another and their school.

Class Act Award Winner

by Brad Holley

Elba City Schools would like to congratulate Mrs. Gina Price, a fourth-grade teacher at Elba Elementary School for being nominated as the Class Act Award winner. Mrs. Price was selected by her fellow teachers and then her nomination was sent to Montgomery where she was then selected as the winner of this prestigious award.

Mrs. Price has been teaching the fourth grade for nine years. She graduated from Troy State University where she earned her master's degree. Mrs. Price also believes in working as a team. She says this teaches her students team work. At the end of the week the team or group with the most points (points are rewarded for having all of the needed supplies, having a positive attitude, etc.) is rewarded with a homework pass, popcorn or something small that pleases them.

In speaking with one of her students, Sydney Brunson, I was able to find out what exactly made Mrs. Price class act material. Sydney stated, "She explains things easier. She makes going to school something to look forward to."

Once again, congratulations to Mrs. Gina Price for being selected as Class Act Award winner!

Prepaid College Tuition

September is the only month in 1998 that a child can be enrolled in Alabama's Prepaid Affordable College Tuition (PACT) program, and State Treasurer Lucy Baxley encourages parents to consider enrolling their children now.

Enrollment of children from infancy to ninth grade is open one month each year.

Laws establishing this program provide an opportunity for parents, grandparents, or other sponsors to participate by purchasing a contract with PACT. Benefits of the contract

provide full payment of tuition and mandatory fees for four years undergraduate school at any public college or university in the state.

If the student elects to attend a private or out-of-state school, PACT will pay the amount of the weighted average cost of tuition and fees charged by the public, four-year institutions in enrollment.

To receive additional information or application for enrollment, call the PACT Division of the Treasurer's Office at 1-800/252-7228, or 334/242-7514.

Teenworld Miss Registration Underway

Registration for the Alabama Miss Teenworld-1999 official preliminary state pageant is being held during the month of September. Teen misses desiring to represent their local area in the upcoming pageant should call 1-800/459-3334 for an application and further information. Pageant festivities will be held at the Convention Center in Montgomery on Saturday, Jan. 2, 1999.

To qualify as a representative, the teen miss must be between the ages of 13 and 18 and have a genuine interest in "lifestyle excellence and lifestyle betterment."

Winner of the Miss Teenworld-1999 will receive a \$1000 cash scholarship, a \$1000 appearance contract and a \$500 correspondence finishing course and will represent Alabama in the national finals.

Elba High's Own WEHS News

by Emilee Benbow

Once again the Journalism Staff is broadcasting a daily news show.

This year the show is called WEHS Channel 99 News. Four students on the Journalism Staff work daily with Mrs. Margaret Calhoun for four weeks at a time.

The students learn how to cut and edit film, set up good lighting, tips on how to be a good camera person, and everything else done behind the scenes on a show.

The show is aired twice throughout the day. The first showing at the

end of 1st block displays the announcements, while the second airing at the end of 3rd block hosts the WEHS News and the anchors.

The show varies every day, from interviews with the faculty and students to clips of the Friday night football game, in addition to the news and school activities reported by the anchors.

The show is a great learning experience for those involved and could lead some to their future jobs. It is also enjoyable entertainment for the entire high school.

THE PRESSBOX

By Ricky Mularz

I can remember back when I was in elementary school, and I can still remember my Mom telling me that while I did need to behave at school, the grades in the "real" classes were much more important than my grade in conduct. That has stuck with me over all these years; however, Melanie made me second guess Mom's advice recently when she kept getting strike after strike in conduct, and after only half the initial grading period her conduct grade appeared to already be in the mid-80's. We had some caring conversations, some loud talks and some promises were made about what would happen if she didn't get quiet. Well, I don't know if it was talks, the promises, or the cash reward that did the trick. However, it looks like we have weathered the storm and maybe better days are ahead. Sorry Mom, this time the old fashioned way just didn't work!

ELBA TIGERS READY TO PUT AN END TO LOSING STREAK

The Elba Tigers will be well rested and more determined than ever to put a "W" in the record book Friday night when they travel to Hartford to battle the undefeated Geneva County Bulldogs. Elba enjoyed a much needed open date last week, and the break in the action allowed the Tigers to get many of their walking wounded back to at least near full strength, and also gave the coaching staff a chance to sit down and review what had happened in the opening three games, and make some mid-season adjustments. There is no secret that the Tigers took it on the chin in their opening three games, and that the Tigers faced three very different teams in the three games. Brantley was big, fast and aggressive, while Luverne was small, but very quick, and Opp was big, strong and fast. The combination was a three week nightmare for the Tigers and their coaches, and with as many players nursing injuries as not, the open date could not have come at a better time. Will the Tigers be a better team after the break? We won't know the answer to that question until Friday night, but I believe that when the Tigers take the field Friday night in Hartford they will be more ready than ever to prove that they can win, and will play harder than they have played throughout the season. The open date put the pains of the opening three losses in the past, and now is the time for the Tigers to begin their "second season" and show everyone across South Alabama that the Elba Tigers are far from dead!

AREA TEAMS CONTINUE TO HAVE MIXED RESULTS

The fourth week of the high school football season is now history, and for the teams in the area it was another week filled with mixed results. Here's a quick look back at the week that was...

****NEW BROCKTON (2-2)** took a giant step toward a spot in the 2A playoffs by ripping Straughn 22-6, in a key area clash. The Gamecocks stumbled early in the season and still didn't look like the team that everyone expected in a win over Airtion. However, against Straughn the Gamecocks played as a team and the result was a very big win over a very big opponent. New Brockton may be getting ready to take off as the season nears its midway mark.

****BRANTLEY (4-0)** remained undefeated with an easy 40-0 romp past McKenzie. In a key area match-up, The Bulldogs used the pass to put points on the scoreboard, and their success passing the football could really spell trouble as the "Dogs now have more weapons than just "Bo left" and "Bo right." Brantley will find out a lot about itself this week in its annual war with Luverne, but win or lose, these Bulldogs have a real shot at playing for quite a while.

****ZION CHAPEL (0-4)** lost to Airtion 28-6 to remain winless; however, the Rebels played hard for all four quarters and are still showing signs of improvement each and every week. The Rebels don't have any easy wins on their schedule, and while many of their fans are predicting an 0-10 slate, I don't agree. This bunch has already improved by leaps and bounds, and something good will happen before long.

****KINSTON (0-4)** also remained winless with a 40-20 loss to Samson, but the Bulldogs offense finally began to show signs of life, and maybe the offense can take some of the pressure off the defense. The defense has allowed 123 points in its last three games, an average of 41 points a game, and it isn't hard to see that the defense needs a break. While an 0-4 record is nothing to get excited about, the Bulldogs are far from giving up, and can still bite someone before the season ends.

POLISH PROGNOSTICATOR PLODS ALONG WITH PREPS

Ye Ole Polish Prognosticator was a little late stopping by the office over the weekend, but did report that he posted a 21-3 slate last week to move his totals for the year to 84-27. The local guesstemp hit on such toss-ups as New Brockton over Straughn, Opp over Luverne, Early County over Carroll and Murphy over Jeff Davis, and appears to be warming up as the season nears the midway point. Here are this week's high school predictions...

ELBA VS. GENEVA COUNTY

The Tigers are 0-3 and the Bulldogs are 4-0 and playing at home. Sounds like an easy game to pick, but the guess here is that the Bulldogs are not anywhere near as good as their record might indicate, and that the Tigers might catch the "Dogs sleeping. In the "Upset Special of the Week,"

ELBA 22 GENEVA COUNTY 16

NEW BROCKTON VS. ZION CHAPEL

Two teams heading in opposite directions will meet up in Jack Friday night, and while the Rebels will play their best game of the year, and take everything the Gamecocks throw at them, it might not be enough. New Brockton is on a roll and should roll past the Rebels.

NEW BROCKTON 40 ZION CHAPEL 6

BRANTLEY VS. LUVERNE

The "Battle of Crenshaw" will take place Friday night in Brantley, and for the first time in years the Bulldogs and their fans believe that Brantley can defeat their neighbors from North Crenshaw County. Luverne isn't as good as it was last season, but the Tigers are still very good, and very dangerous. This one should be a classic in the long rivalry of the two schools!

BRANTLEY 17 LUVERNE 15

KINSTON VS. G.W. LONG

The Kinston Bulldogs will celebrate homecoming against the undefeated Rebels from G.W. Long, and while the "Dogs will be huge underdogs, they have shown signs of life recently on offense. If the Kinston defense can slow the Rebels down, an upset could happen. Sorry, enjoy the dance.

Elba travels to unbeaten Geneva County

Homecoming battles and cross-county rivalries highlight week #5 of high school football season

The high school football season will enter week #5 this Friday night with the Elba Tigers still in search of their first win of the season in Geneva County. Brantley and Kinston both celebrating homecoming, and New Brockton invading Zion Chapel for a cross-county clash.

Following are previews of this week's action:

ELBA AT GENEVA COUNTY

The (0-3) Elba Tigers will hit the road Friday night when they travel to Hartford to battle the undefeated (4-0) Geneva County Bulldogs. The Tigers have stumbled out of the gate this season with losses to Brantley 33-6, Luverne 40-18 and Opp 28-6, but had last week off, and should be at full speed Friday night as they fight to get in the win column. The Tigers are led on offense by Bradley Bowers (QB) and Keni Mitchell (HB), while on defense the Tigers are anchored by Derrick Duncan (DB), Mitchell (LB) and O'Shay Hammonds (DL). The Bulldogs have been a major surprise this sea-

Childs continues streak with fourth feature win at South Al. Speedway

David Lester captured his first win this season at the South Alabama Speedway in racing action on Saturday, Sept. 12.

Lester started on the pole and led all the way to take the feature win in the Sportsman Class, followed in order by Ronnie Strawder, Jim Walker, Kerry Adkins and James Mason.

Howard Penton scored his first Super Stock win, as he got inside of Frank King on lap 18, took the lead on the next lap and raced away for the win. King held off Jerry Weatherington for the second spot, while Randy Jones placed fourth and Tim Lynn finished fifth.

Roy Childs continued his dominance in the Pure Stock action as he won for the fourth time in the last six weeks. Childs started in the rear of the pack, but charged to the front

Donaldson earns award for 100 hours on quarter horse

Daphne Donaldson, of Elba, recently earned an award for logging 100 hours in the American Quarter Horse Association Quarter Horse Association Horseback Riding Program.

The program provides AQHA members recognition for time spent riding or driving American Quarter Horses.

The first award, a program recog-

on under Coach Rick Moody and after four weeks have wins over Geneva 14-13, Red Level 20-6, Samson 28-19 and Goshen 16-13. The "Dogs are paced on offense by Andre Golsen (RB) and Chad Whitaker (QB), while the defense is solid in all areas. The records may be in stark contrast; however, these two teams appear ready to battle it out for all four quarters.

NEW BROCKTON AT ZION CHAPEL

The (2-2) New Brockton Gamecocks will head across Coffee County Friday night when they head to Jack to tangle with the (0-4) Zion Chapel Rebels. The Gamecocks have rebounded from an 0-2 start to even their record with wins over Airtion 13-6 and Straughn 22-7, and appear to be getting better each and every week. The Gamecock offense is paced by Lee Flowers, who went over the 4,000 yard mark for his career last week in the win over Straughn, and by (QB) Kelten Cole, a dangerous runner and passer. Zion Chapel has been outscored 118-33

in its four losses, but has been improving weekly, and led by quarterback Marcus Taylor and Levon Wheeler on offense, and Wheeler on defense, could be ready to get that first win. When these two meet anything can happen, but this year it looks like the Gamecocks will be heavy favorites.

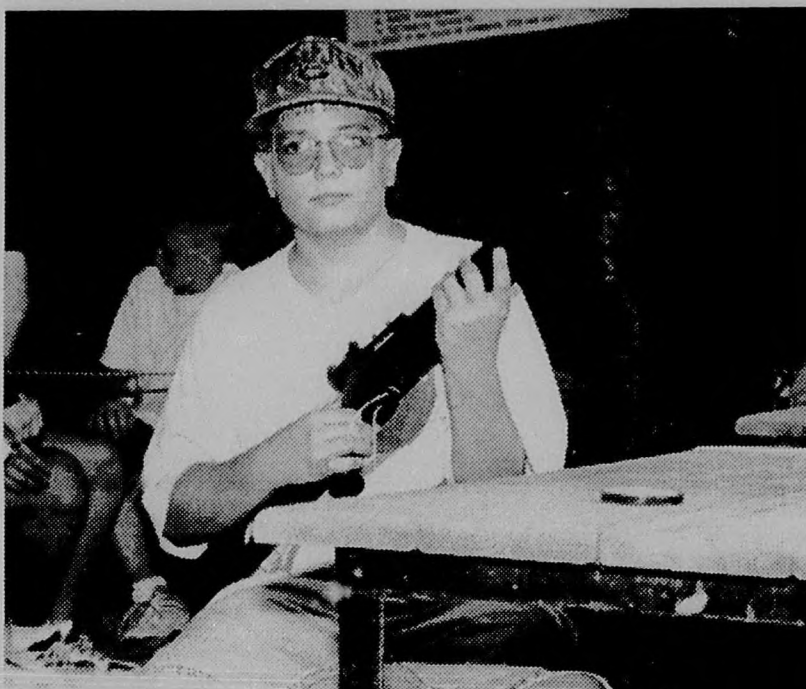

G.W. LONG AT KINSTON

The (4-0) Kinston Bulldogs will celebrate Homecoming Friday night when they host the (4-0) G.W. Long Rebels. The Bulldogs' offense put three touchdowns on the scoreboard last week as Chancey Lashley led the Rebels will try and spoil the Kinston party, and seems to be loaded with wins over Clayton 27-0, New Brockton 25-22, Houston Academy 27-6 and Zion Chapel 35-0. This will be anything but your usual homecoming opponent for the Bulldogs, and it could be a long

night in more ways than one.

LUVERNE AT BRANTLEY

The (4-0) Brantley Bulldogs will celebrate Homecoming Friday night when they host the arch-rival (3-1) Luverne Tigers. The Bulldogs have been one of the state's top 1A teams this season in claiming wins over Elba 33-6, Georgiana 27-0, Goshen 34-21 and McKenzie 40-0, and have Bulldog fans believing that this will be the year in which the Tigers taste defeat from their neighbors. The Bulldogs are led on offense by (RB) Bo Daniels, (QB) Andy Johnson and (SE) DeMario Wiley, and are as solid as ever on defense. The Tigers will enter the game with a 3-1 slate after claiming wins over New Brockton 38-6, Elba 40-18 and Pike County 6-0, in overtime, and falling to Opp 19-13, in overtime. The Tigers are led by Rodney Lowery on offense, and as Lowery goes so do the Tigers. This could be a game of big plays, and should be without a doubt the top game of the night in South Alabama.

D.J. STINSON - won the state championship at the Woodmen summer camp program

D.J. Stinson wins state title at Woodmen Youth Camp

On Saturday, August 15, 1998, D.J. Stinson won the state championship in the riflery competition for the 10-11 year old age bracket.

D.J. is the son of Dale and Sharon Stinson. He is the grandson of Sybil and Steve Hines.

The competition was held at the North Alabama Woodmen Youth Camp, as the final meet of a statewide youth camp program. D.J. had to face quite a bit of competition to qualify for the final event, as he first had to win the weekly competition during the week he was at Woodmen Camp Riversprings, in McKenzie. After that win, Stinson was invited to compete in the Sub-

State championship, also held in McKenzie, on August 1. He outscored winners from five other camps to earn the right to compete at the state championships.

Stinson was one of over 1,400 youth ages 8-15 that participated in the 1998 Woodmen of the World Youth Summer Camp program in Alabama. Both Alabama camps have American Camping Association accredited programs, which include archery, riflery, canoeing and crafts.

Early season surge helps Lady Tigers improve volleyball record to lofty 8-2

The high school volleyball season is now underway, and after three weeks of action one of the surprise teams in South Alabama has to be the Elba Lady Tigers, which have started off with a bang and own an 8-2 record.

"We start two sophomores and four juniors," said Coach Susan Barnes, "but the girls have grown up together and have really grown into a team in just three short weeks. The girls play well together and should get better as they gain experience throughout the season."

The Lady Tigers opened the '98 season on the road against the New Brockton Lady Gamecocks and posted a 15-7, 18-16 win. The Lady Tigers jumped out to an early 6-1 advantage behind three service points by Melissa Mularz, then took command as Vaughan Boyd recorded five straight service points to up the lead to 11-2. Kendra Vaughan closed out the match with two service points as Elba took the first game 15-7. The Lady Tigers fell behind 5-3 early in the second game, but moved on top 7-5 on four straight service points by Melissa Mularz. The Lady Gamecocks refused to quit and battled back, only to see Elba's Michelle Lewis close out the match with two service points as the Lady Tigers claimed the 18-16 win, to close out the match. Melissa Mularz recorded 11 service points to lead Elba, while Michelle Lewis and Melissa Grantham added 7 each, and Vaughan Boyd recorded 6.

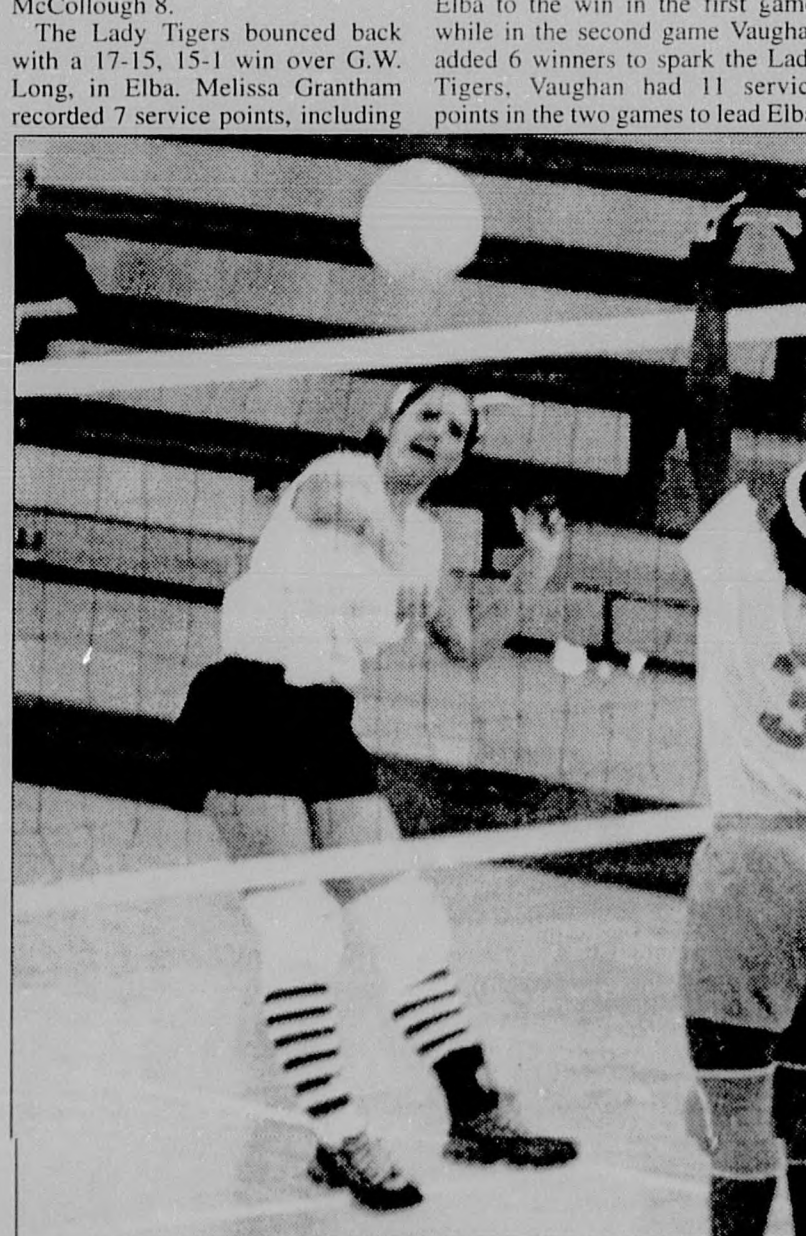

The Lady Tigers traveled to Red Level and posted two big wins by the scores of 15-3, 15-4, and 15-4, 15-11. In the first win, Michelle Lewis recorded 8 straight service points to open the first game and the Lady Tigers rolled to the win, while in the second game Lewis added six more service points to lead Elba to the easy win. In the second win, the Lady Tigers jumped ahead early behind the serving of Kendra Vaughan and coasted in with the win in the first game, while in the second game, was simply more of the same as Racann McCollough and Vaughan Boyd led Elba to the win. Michelle Lewis recorded 13 service points to lead Elba to the two-match sweep, followed by Melissa Mularz and Vaughan with 12 each, and Melissa Grantham with 10.

The Lady Tigers saw their early season winning streak come to an end with an 9-15, 9-15 and 11-15, 13-15 double-header loss to Clayton. Michelle Lewis and Melissa Mularz both recorded 4 service points in the first game to lead Elba, while Mularz added 5 points in the second game. Lewis had 4 service points in the first game of the second match, and in the final game Kendra Vaughan had 5 service points. During the four games, Elba was led in service points by Melissa Mularz with 11, followed by Michelle Lewis 10 and Racann McCollough 8.

The Lady Tigers bounced back with a 17-15, 15-1 win over G.W. Long, in Elba. Melissa Grantham recorded 7 service points, including

the final three, to lead Elba to the win in game one, while in the second game Grantham and Michelle Lewis both had 5 service points. Melissa Grantham had 12 service points to lead the Lady Tigers, while Michelle Lewis added 6.

The Lady Tigers upped their record to 8-2 with a 15-9, 15-12 win over Samson, in Samson. Kendra Vaughan had 5 service points to lead Elba to the win in the first game, while in the second game Vaughan added 6 winners to spark the Lady Tigers. Vaughan had 11 service points in the two games to lead Elba.

Kendra Vaughan, a junior, slams home a point in an early season volleyball match for the Lady Tigers.

Samson outscores Kinston 40-20 in wild, high scoring grid contest

By Chad Simmons, Sports writer

The Kinston Bulldogs were in Samson Friday night as they played the Tigers in the rain. Kinston managed to get on the scoreboard this week and scored 20 points; however, the Bulldogs defense gave up 40 points for the third straight week as Kinston fell to the Tigers 40-20.

Samson grabbed an early lead as the Tigers cashed in on a Bulldog fumble on the opening kickoff, and jumped ahead after only three plays in the first quarter.

After swarming punts, Kinston began a drive at its own 7 yardline. The Bulldogs' Chancey Lashley needed only one play to cover the distance, as he raced 93 yards for a Bulldog touchdown. The extra-point try failed, but the Bulldogs had cut the Samson lead to 7-6.

Samson answered the Kinston score with its second TD of the night, but the Tiger rally failed to impress the Bulldogs, and Kinston got right back on the scoreboard as Lashley again broke loose and this time rambled 70 yards for a touchdown. The extra-point try again failed; however, the Bulldogs were matching the Tigers punch for punch, and trailed only 13-12 after one quarter of action.

Samson clawed its way through the Bulldog defense on the ensuing

series to move on top 21-12, only to see the Bulldogs get a break of their own minutes later when Josh Harrison and Brad Boykin teamed up to cause a fumble at midfield.

Kinston failed to take advantage of the Tiger turnover, but Samson was ready to get back into the endzone, and scored with only :08 left in the half to go in at intermission with a 28-12 lead.

Penalties were the only way the Tigers could advance the football in the opening seconds of the third quarter as the Bulldog defense took command and surrendered only short gains on the first three plays of the half. Samson got its offense on track after the slow start; however, and punched in another score to take a big 34-12 advantage midway through the third stanza.

Chancey Lashley scored the Bulldogs' final points of the night with another outstanding run as Kinston closed to within 34-20.

The Bulldogs threatened again and moved the ball inside the Samson 30-yardline, but fumbled twice on one play, and only recovered one of the fumbles, as Samson got the turnover to stop the Kinston scoring threat.

The Tigers cashed in on the Bulldog fumble to go ahead 40-20, and held on late to escape with the 40-20 win over the visitors from

Coffee County. Kinston will celebrate "Homecoming '98" this week against the G.W. Long Rebels, then will be back on the road to meet Florida.

Chancey Lashley gained 245 yards rushing and scored 3 touchdowns to lead the Kinston offense, while Samson pounded out 388 yards on the ground against the Bulldog defense.

Gamecocks stop Straughn 22-6

By Josh Lewis, Sports writer

The New Brockton Gamecocks showed everyone in attendance Friday night that they were indeed the team to beat in the Class 2A, Area 3 title hunt as they ripped the Straughn Tigers 22-6, in Straughn.

The win upped New Brockton's record to 2-2, 1-0 in Area play, while Straughn slipped to 2-2 with the loss, 0-1 in Area competition.

Both teams managed to move the chains throughout the early going, but neither team was able to reach the endzone until early in the second stanza, when the Gamecocks cashed in on a scoring chance to grab the lead for good.

A Robbie Kinsaul punt that was downed at the Straughn 6-yardline helped the Gamecocks begin the short scoring march at the Tiger 15-yardline, with the touchdown coming on a 1-yard dive by Lee Flowers. Kinsaul added the extra-point, and with 10:24 left in the second quarter New Brockton was on top 7-0.

New Brockton began its next series at its own 38-yardline following a Straughn punt, and this time it took the Gamecocks only one play to cover the distance to the goal line, as Lee Flowers took the hand off and raced 62 yards for a touchdown! Andre Flowers converted the two-point conversion, and the Gamecocks were on top 15-0 midway through the second quarter.

Straughn put together its best drive of the half on the ensuing possession and reached the New Brockton 26-yardline. However, the clock was quickly running out on the Tigers, and Straughn failed to cash in on the scoring opportunity when a 33-yard field-goal missed its mark, and at the half the Gamecocks went in with a 15-0 advantage.

The New Brockton defense stopped the Tigers on a fourth down gamble at the Gamecock 30-yardline with 8:30 left in the third quarter, and the defensive stand seemed to spark new life into the offense, as the Gamecocks marched 70 yards to stretch their lead to 22-0.

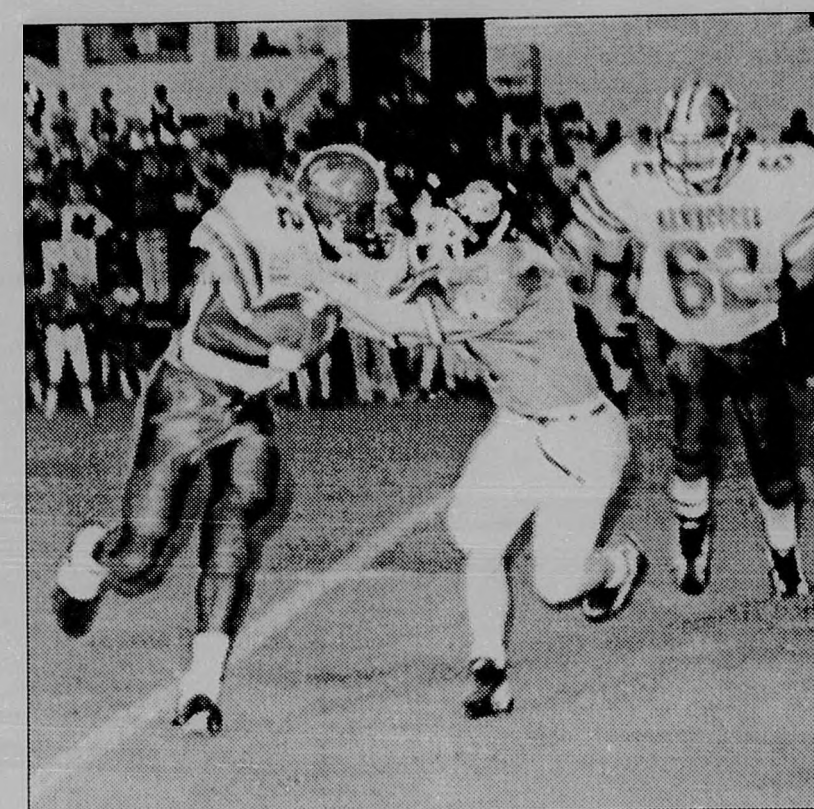

Jason McKenzie scored the touchdown on a 5-yard dash, and Kinsaul added the extra-point, as New Brockton took a commanding 22-0 lead with :52 left in the stanza.

Straughn finally got on the scoreboard in the closing seconds of the game, as the Tigers cashed in on a Gamecock fumble and scored with :40 left in the game on a short run. It was way too little, way too late; however, as the Gamecocks posted the big 22-6 win.

Lee Flowers gained 156 yards on 18 carries and scored 2 touchdowns to lead New Brockton, while Jason McKenzie added 59 yards on 8 carries and Kellen Cole gained 30 yards on 7 totes. The Gamecock defense was led by Charlie Driggers with 9 tackles, while Pate Harrison added 8, and Andre Flowers made 6 stops. Jason McKenzie had 5 tackles, 1 fumble recovery and 1 interception.

A New Brockton defender stops a Straughn running back for a short gain in last week's 22-6 win over the Tigers. The win left the Gamecocks with a 1-0 record in the Class 2A, Area 3 standings.

A Bulldog running back looks for room to roam in Brantley's big 40-0 area win over McKenzie. The Bulldogs will host Luverne Friday night for county bragging rights.

Brantley's DeMario Wiley (7) pulls in a pass during the Bulldogs 40-0 win over McKenzie. Wiley had a big night receiving in the area win over the Tigers.

Brantley quarterback Andy Johnson (4) scorched the McKenzie defense for big yardage through the air in Friday night's lopsided win over the Tigers.

Bulldogs tame Tigers 40-0

By Greg Brunson, Sports writer

The Brantley Bulldogs totally dominated the McKenzie Tigers Friday night to run their season record to 4-0. Bo Daniels and DeMario Wiley each scored two touchdowns en route to a lopsided 40-0 win.

The Bulldogs' offense was sluggish in the first quarter as they turned the ball over twice on interceptions. The Brantley offense did manage one 88 yard touchdown drive that took eight plays. Bo Daniels got the score on a 4-yard run around right end and Gregory Daniels added the extra-point to give Brantley a 7-0 lead with 5:53 left in the opening stanza.

As the second quarter opened, Andy Johnson hit DeMario Wiley on a quick slant pass. Wiley made the catch and used his speed to run away from the defense for an 81-yard scoring play. The conversion attempt failed, leaving the score at

13-0 with 10:23 left in the first half. The Tigers gambled on a fourth down deep in their own territory on their next possession, but the Brantley defense was up to the task, and the Bulldogs regained possession at the McKenzie 24-yardline. On the next snap, Andy Johnson lofted a pass to the endzone. Zack Burnett went high above the Tiger defender to come down with the 24-yard touchdown reception. The play was unsuccessful, but the Bulldogs owned a 19-0 advantage with 7:54 left in the second quarter.

Zack Burnett intercepted a Rickie Sullie pass on the Tigers' next possession deep in McKenzie territory. The Brantley offense struck on the very next play when Andy Johnson passed to Wiley on a quick out. Wiley took the pass, side-stepped a Tiger defender, and galloped 76 yards for the touchdown. Gregory Daniels' conversion made the score 26-0 with 4:05 still left in the half, and the rout was on!

Bobby Phillips recovered a Tiger fumble on the next series, and Bo Daniels got the Bulldogs back on the scoreboard once again in the stanza as he capped a two-play, 63-yard march with a 47 yard touchdown scamper. Gregory Daniels booted the extra-point, and with :14 left in the wild second quarter Brantley had blown the game open by taking a 33-0 advantage over the Tigers. As the second half opened, Andre Mitchell intercepted a McKenzie pass and returned it 40 yards to the McKenzie 5-yardline. Three plays later Deon Jones cracked in from one yard out, and Gregory Daniels again added the extra-point as Brantley ended the scoring by moving on top 40-0 with 9:00 left in the third quarter.

Both teams were able to get valuable experience for their younger players during the remainder of the game; however, neither team was able to get on the scoreboard, and at the final horn Brantley celebrated with the 40-0 win.

Brantley will be at home again this week as they celebrate "Homecoming '98" against the Luverne Tigers.

The Bulldogs' offense was led by Bo Daniels with 113 yards rushing on just 8 carries. DeMario Wiley had 3 catches for 180 yards and two touchdowns, while Andy Johnson passed for 204 yards. Andrea Tolbert paced the Tigers with 41 yards on 12 totes.

A Zion Chapel cheerleader keeps the spirit high on the Rebel sidelines.

The Zion Chapel Rebels saw their victory drought continue Friday night as they lost to the Arton Purple Cats 28-6, in Arton.

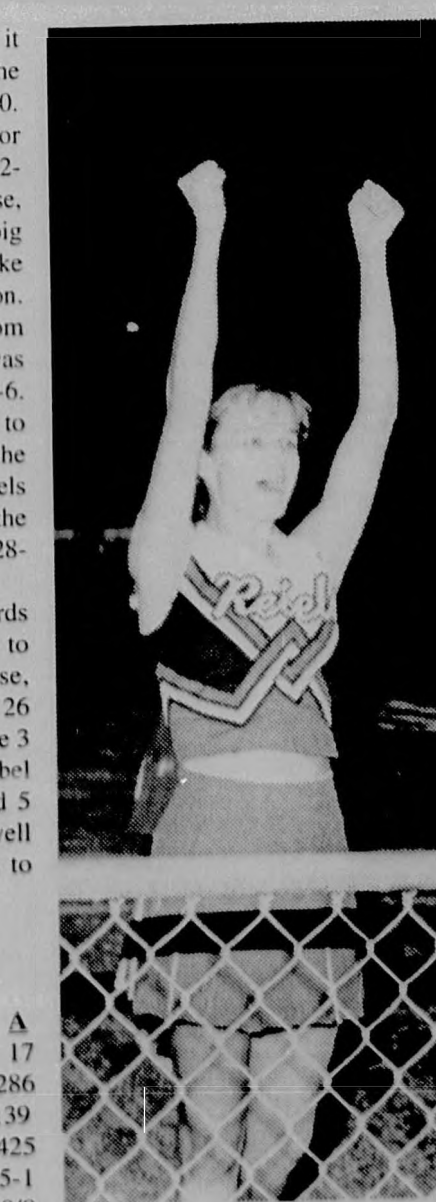

The win lifted the Purple Cats' record to 3-1, while the Rebels slipped to 0-4 with the loss. Arton received the opening kick and wasted little time getting on the scoreboard, as Tavaris Flowers scooted into the endzone on a one yard dash. The extra-point was true, and with 7:06 left in the opening stanza the 'Cats were on top 7-0.

The Rebel defense stopped an Arton scoring threat on the 'Cats next possession when Josh McWaters intercepted a pass in the endzone; however, the Purple Cats got the football right back on a Zion Chapel punt, and this time reached the endzone to add to their lead.

The touchdown came on a 26-yard scoring pass to Bradley Crenshaw, and the extra-point was again true, as Arton moved ahead 14-0 with 2:51 left in the second quarter.

Arton was ready to add to its lead early in the third quarter and cored on its first possession of the half to again make the scoreboard lights flicker. The third Purple Cat touchdown came on a 22-yard scamper by Chris Boswell, and the successful extra-point try increased the Arton lead to 21-0 with 4:29 remaining in the third stanza.

The Purple Cats ended their scoring for the night on their next possession as Robert Riley carried it over from 11 yards out, and the p.a.t. upped the Arton lead to 28-0.

Mrs. Mooney can grow onions - well anywhere

by Bernie Cobb
Gardening Columnist

I said it before, "I don't know anybody that doesn't like onions." Oh, I know there are some out there, but for the most part, everybody likes onions one way or another. Even those who don't like to eat raw onions probably like them as herbs, cooked in their man course dishes.

All the home gardeners I have talked to recently are going to put them in their fall gardens. Some of our novice gardeners might want to try their hand at growing onions, too. Onions, plus a couple of other popular winter crops, will keep your garden active, yielding fresh food for the table as well as extending your hobby through the colder months.

Onions can be easy to grow. But, there are a couple of special considerations to be dealt with first. So, let's take a closer look at the pungent little rascals so you can get started.

First, decide what kind of onions you want to grow, unless you want to go the whole nine yards. There are bulb onions and there are the bunching or multiplying ones. The bulb onion is what we grow to produce those big onions that we like to slice up for hamburgers and sandwiches, or eat big thick slabs with our fried catfish. These onions will produce only one bulb during its annual growing season. These are our fresh or "sweet onions."

The perennial onions, which include the bunching or multiplying onions, will grow and produce clusters of little onions which keep multiplying until you pull them to eat. You can also leave some to replant and begin another crop. I use them like scallions or "spring onions."

The most common ways to plant onions are from seeds, sets or transplants. Planting seeds requires some extra work and dedicated care. You must prepare a good seedbed and you must keep it moist constantly so the seeds will germinate and then the young seedlings won't dry out and die. Bulb onions and bulb onion transplants are grown from seed.

Onion sets are small bulbets with no tops. You can buy them for growing multiplying onions. The Evergreen Long White

MRS. EVA MOONEY, Elba, is a prime example of how to grow onions almost anywhere - in single rows, wide rows, raised beds or containers. Early this year she grew them in the holes of cinder blocks around her house and her swimming pool retaining wall. "Some of them got so big I had to pry them out of those holes," she said.

Bunching onion is a good choice here. Storage onion sets usually come simply as yellow, white or red, contrary to seeds and transplants which bear a variety name on the container. Storage onions keep longer but usually have a stronger flavor.

And now, for all our beginners who want the big bulb onions without the hassle of planting from seeds, you can simply buy transplants from local garden supply outlets. This is about as close as you can get to just "buying plants and poking them into the ground."

There is one major thing to remember that the old-timers know but a lot of beginning home gardeners don't - you need to select the right variety for this area. Onions are classified as longday variety or shortday variety. Certain varieties need a "photoperiod" or certain length of day, to get its best growth. Here in southeast Alabama we should plant shortday varieties, which include the Yellow or White Bermuda, Excel, Texas Grano 502, Texas Grano 1015, and Texas Grano 33 (used for a Vidalia onion). You need to buy seed for these varieties as they are very expensive and difficult to find in the immediate area except by special order.

CITY MEAL Mayor James Grimes looks on as four city police officers are shown putting the finishing touches on a noon meal at the Elba City Hall given for all city employees on Thursday, September 17th. Grimes said the meal was a small token of appreciation for the many hours of dedicated work employees put in during and after the March flood which struck Elba. He explained that while a person could say the employees were paid for doing their job, there were many, many acts of devotion and dedication to this area.
